FIRST WARD .- Understanding that there is to be another meeting of the Conservatives of the First Ward for the purpose of nominsting a candidate for the Common Council in the place of Mr. McKenzie, declined, I would suggest the propriety of reconsidering the other nominations made at the meeting last week, in order that there may be a fair expression of opinion in reference to a question which was not openly mooted at that meeting. I refer, of course, to the railroad question. It is charged that at least two of the candidates then nominated were put forward as the especial friends of the present government of the Orange railwere interred at the expense of the corporation in Penny Hill grave yard.

road, and in the sole view of securing a proxy favorable to their re election. It is undoubtedly true that nine-tenths of the voters present at last week's meeting were ignorant that any such issue was involved, and it, therefore, seems entirely proper that they should be allowed to vote understandingly on the subject.

To the Citizens of Alexandria : I am glad to see that GRORGE R. BLACKLOCK has announced himself a candidate for re-election to the office he now holds. Collector of Taxes for the Northern District of Alexandria city. Mr. Blacklock has made a good, reliable, energetic and polite officer. He has succeeded in collecting the taxes down to a very small amount, and that without distressing any one and for the whole year he has been in the dis charge of his duties there has not been an unpleasant word passed between him and the taxpayers. His success has been solely on account of perseverance and attention to the business of his office. When the people have a tried officer, and one who has proved himself so competent as Mr. Blacklock has, they should re elect bim, for it is a position that should not be changed. The citizens should not be ruled by a few men who get up conventions to destroy their will. It is still fresh in the people's mind what was the conduct of a large number of per sons who went in the convention of March, 1867, and nominated Mr. Wm. Ii. Marbury for Mayor, who received one of the largest votes ever cast in a convention, and on the day of election voted for another gentleman after unanimously passing resolutions to support Mr. Marbury. This is the way they will act on Thursday next. If they get their choice, all well-if they do not they will not abide by the majority; therefore, citizens, be not again gulled, but take lessons by the past. Politics has nothing to do with the office. It is only a scheme gotten up by a clique to deceive the majority and but their minerity candidates in office. my 23-3ts CITIZENS.

At the request of many friends, I announce myself a candidate for the office of Collector of Taxes of Falls Church Township. WM. B. HOWARD.

I respectfully announce myself a candidate for the office of Collector of Taxes for the Northern District, the position 1 now hold. When I came into this office in June, 1869, I had a laced in my hands by the Finance Committee of the Common Council tax bills of the year 1869 to the amount of fifty two thousand nine hundred and fifteen dollars. By working night and day and giving my whole attention to the office I have succeeded in collecting the whole of the above with the exception of less than six thousand dollars, and I have assurances from debtors that authorize me to expect to collect four thousand more within the next month. All this has been effected without distressing a single soul in the community and without an un-plea-ant word-solely by patient assiduity and attention. Subject to the will of the people on

the day of election. GEO R. BLACKLOCK. my 21-te To the Voters of the city of Alexandria. - I repretfully announce myself a candidate for the tice of Collector of Taxes for the Southern [mv 10-te] S. K. FIELD.
